NEWSFLASH: To book the hotel room contact **MYRNA** and **NOT** the HOTEL!

Get ready for white sand beaches, beautiful blue sea and fresh ocean breeze. That's right, our 5th Family Reunion is going to be a fun summer vacation in Panama City Beach, Florida.

Everyone knows a beach getaway can be expensive. We found a way to make it affordable for you and your family. If you reserve early, you will stay in a 1 or 2 bedroom suite at [Bay Point Marriott Resort](#). To make your reservations, e-mail [Myrna](#) or call 305-621-8032. Please don't wait to contact us, there is a limited number of rooms available at the Resort. However, we have other hotels available if we contact them early. **Remember, beach vacations are popular and hotels fill up fast so don't wait!**

Our activities will take place from Thursday - Saturday. Some of you have asked to check into the resort on Wednesday. If you are interested in checking in a day early please let us know. You may want the extra day to enjoy all the hotel amenities. The resort has two championship golf courses, indoor and outdoor pool, walk/bike trail, spa services, restaurants and other activities on the premises.

Once we hear from you all we will finalize the cost for t-shirts, dinner, etc... The planning of this vacation was made possible thanks to Anthony Brown, Maribel Melancon and Myrna Brown. A special thanks goes out to Emilio Brown who initially planned the 2007 Family Reunion in North Carolina. Your efforts did not go unnoticed!
